## Handcrafted in England

The Wells Vertige is an all-new mid-engined sports car handcrafted in limited numbers at our factory in the heart of Warwickshire. Designed for driving pleasure and daily usability Vertige is lightweight and compact, blending the best of Britain's engineering heritage with modern refinements.

With build slots starting from summer 2021, we are now taking orders for a limited production run of very special cars, the 'Founder's Edition'.

## Engine, Transmission & Performance

### Installation

Mid, transverse  
Rear wheel drive

---

### Type

4 cylinder inline naturally aspirated  
petrol engine

---

### Capacity

2,000cc

---

### Construction

Aluminium block & head

---

### Valve Gear

4 per cylinder

---

### Induction

Lightweight inlet manifold  
Individual Jenvey throttle bodies  
Bosch 320cc injectors, bespoke ECU tune  
Twin air filters

### Exhaust

Bespoke stainless steel system  
Optional additional silencer

---

### Transmission

6 speed manual rear transverse mounted

---

### Power

208bhp

---

### Torque

210Nm

---

### Redline

7,335rpm

---

### Power to Weight Ratio

255bhp per tonne

### 0-60mph

4.6 seconds (estimated)

---

### Top Speed

140mph (estimated)

## Chassis & Exterior Features

### Chassis Construction

Laser cut and folded high strength steel central tub with high-grade triangulated steel subframes front and rear  
Foam filled side sills and bulkheads  
Aluminium floor pans

---

### Body

Lightweight composite body panels  
GRP with Kevlar® reinforcement

---

### Safety

Integral cold drawn steel full roll cage to motorsport design

---

### Torsional Rigidity/Chassis Weight

47,000 Nm/deg  
127kg (complete chassis assembly)

### Wheels

7.5x17" all round ultra lightweight design (8.9kg each)

---

### Tyres

Michelin Pilot Sport 4  
205/45 ZR17 (88Y)

---

### Spare Wheel

Full sized spare wheel stored in front luggage area

---

### Lights

LED front headlights, rear lights and indicators

### Exterior Finish

High gloss water-based paint in choice of:

Silver Stone

Saigon White

British Racing Green

English Racing Red

Oxford Blue

(Other colours available upon request)

# Steering, Suspension & Brakes

## Front Suspension

Double wishbone, widely spaced, coil over dampers (adjustable)

---

## Rear Suspension

Double wishbone, widely spaced, coil over dampers (adjustable)

---

## Adjustment

Adjustable toe links

---

## Steering Type

Rack & pinion, unassisted  
Optional variable power assistance (EPAS - speed sensitive)

---

## Turns, lock to lock

2.5

---

## Turning circle

10.5m

## Steering Column

Adjustable for reach and rake, integral with instrument binnacle

---

## Brakes

280mm ventilated discs (front and rear), unassisted  
Four pot calipers, machined aluminium

---

## Handbrake

Manual lever, centre console  
Hi-Spec spot caliper 25mm lug mounting, acting on rear wheels

# Comfort, Practicality & Technology

## Seating

Manually adjustable leather sports seats

---

## Headlining & Finish

Alcantara dashboard top

---

## Gear Lever

Ergonomic African Mahogany gear lever

---

## Cabin Storage

Multiple storage nets and trays

---

## Infotainment System

7" touchscreen display unit with SatNav, Bluetooth, DAB radio, Apple CarPlay and Android Auto

---

## Audio

Two integrated speakers (with wiring for additional units)

## In-Car Charging

2 x USB connection points  
12V cigar lighter

---

## Interior Lighting

Interior LED lighting

---

## Insulation

Double skinned bulkheads front and rear  
Dynamat insulation pads and mats throughout

---

## Ventilation

4 dash-mounted and 2 footwell vents  
3-speed compact heater  
(Air conditioning optional)  
Manual wind down window sections

---

## Windscreen

Heated front windscreen

## Luggage Space

206 litre illuminated rear luggage space  
Additional 15 litre front storage space  
(within spare wheel well)

---

## Fuel Filling

50 litre fuel tank with twin fillers

## Dimensions & Weight

### Length

3,944mm

### Width

1,752mm (1,832mm with doors open)

### Height

1,142mm (1,690mm with doors open)

### Wheelbase

2,371mm

### Weight

750kg (dry)

815kg (kerb – estimated)

### Weight Distribution

47% front / 53% rear
